MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Mr. Frank Slatinshek, Counsel, House  
Armed Services Committee, on 26 March 1969

Met with Mr. Frank Slatinshek who inquired whether any more information had been received on the anonymous letter I had discussed with him last week and suggested it would be well to brief Mr. Blandford in some detail as soon as possible. He noted that Mr. Blandford would probably not be available until after completion of the Laird hearings on Friday. I thanked Mr. Slatinshek for the advice.
